The most beautiful being is
16-year-old Snow White-sama
SUCH AN INSULT TO ME, THAT LITTLE GIRL!
FINISH HER OFF!!
After much effort, I, Snow White, have finally escaped to a forest house.
4LDK

*4LDK appears to be the type or model of the forest house.

Boo m
But I never expected that
I had to do all this
Umm..then please clean up instead of cooking..
Oh my! I'm best at cleaning!
Hello, is it Dasoon-san?
I'd like some help in house cleaning. (for a 4LDK)

HA HA
HA HA
HA HA
S-so what!
I always had helpers at the castle!
I can't believe this! Such a clumsy woman!
Stop joking, why do I have to become a servant?
This is not your castle.
We're helping you, so do the housework!
HUH?
What kind of BRAT are you?
..I've never received such treatment before.

Even like this I'm 17 years old, i-diot.
You're as stupid as you're clumsy.
We're the forest dwarves, and we're born this size.
I-idiot..I can't take the insults anymore!
You just watch. after I return to the castle I will inform father and.
How can you go back now?
Everyone's out to kill you.
Ephemeral Dreams

No. ①
Don't you take it to heart, Snow White-chan
He talks like that all the time, but he is a nice boy
Yes, he is male
PAC!
To Seven, the word "brat" is a forbidden word.
He's still mad about how he failed the test to become a real mage
Who's, Seven?
Our names are the numbers~ ♡
4 5 6 7 8 9 10 11 12 laughs
so we don't really care about the real dwarf business.
Oh well~ we don't even want to study magic,
Ho ho ho
by the way... Snow White-chan needs to use 3 beds, eh?

It's ok even if I never go back
Look, look!
She told me to wear this and take a walk.
It's the first time Mother has given me a dress!
You can't be nice to Snow White-sama.
Or the Queen will get angry.
I see..
Please be careful.
I was always alone anyways.

It's ok..
DUSH
Kya~~no~o, I forgot the cover!
GWAAAH
EEK
Arr~Just watch,
I'll make the greatest cake so I can show Seven what I can really do!
he he he

Hmm.. somehow the taste is not right
SALT
PEPPER
Huh?
Ah..oh yeah, salt! So more salt is needed
SALT
Great, it's done ♡
looks good ♡
I'm such a genius ♡

Wahh~it's great, Snow White-chan!
Compared to yesterday, this is fantastic!
Hoho, how is it, Seven?
Well, not bad.
Snow White-chan, Snow White-chan.
*Whha~~t, not cute at all
Thanks!
(were so happy)

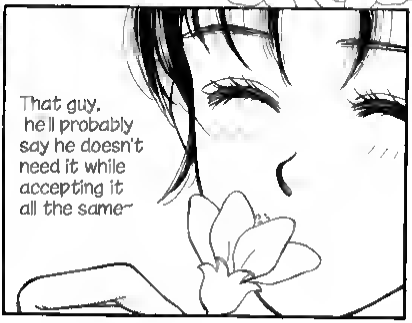
Yeah!
Yup
Did you see that? She's super-cute when she smiles!
♡
No wonder she's being chased after
Wha-tever, acting so great.
I don't want a shortie to order me around!
W-what the heck, you giant woman!
HMMPH!
They're trying to kill you, you know that right!?
..well, we'll let you stay
But, do you get it!? Never go out by yourself ever!!

He~y Seven, what are you doing?
Shall we help ya?
Bang
Bang
Bang
Bang
What's this giant woman giant woman thing.
I'm not that big you know!
Shut up, I'm fixing the fence
Don't bother, giant woman
Oh my, you're so uncute!

Oh-h! That means for Snow White-chan,
a man not too tall should suit you well...
Hey, hey, Snow-White -chan,
can you come up for a moment?
OPENS
What is it?
Yeah I know, as long as he's bigger than me it's fine
If he can lift me up easily it'd be so cool

Look look, your special bed!
Seven made it for you.
Aww...how sweet of you, Seven
so you're not that bad after all.
That's not it, stupid.
We can't let her take 3 beds or we'll be in trouble.

I'll make
a flower pillow for him in return



That guy, he'll probably say he doesn't need it while accepting it all the same~

Kya~!
DON-G
SLIPS
WAH!
Oh my---Seven! What are you doing here?
Are you ok? Can you stond?
.....
...Snow White!! Didn't I tell you not to go out alone!?
It's ok that I was watching you, but still!
Aww, you were trying to protect me?

Blu-sh
I-idiot!! I just came for a walk!
I like sleeping on the trees!

SHATTER-S

BOOM
BOOM
BOOM
BOOM

..I WAS CONVINCED THAT SHE'S DEAD.

Ohh? There's been fireworks ever since noon.
I wonder if there's some kind of event occurring?

JUST YOU WAIT, SNOW WHITE!!

They said it's for Snow White-chan's funeral.
And the castle, as well as the entire country, are in mourning
..umm, you know..
it's just a rumor but
Yo--

Oh my bad, my bad, I was just practising magic.
But I made some flowers by mistake, geez.
Don't worry, I'm not feeling down.
I-diot, who said it was for you.
Aww~be more honest
PULL
No truth means no return of hat!
I-idiot, gimme back!

Just watch, I'll definitely become a real mage in no time--
and I'll become taller than you!
PULL
S-sorry, I'll give it back. I didn't mean to---
Ah--whatever! I know I'm just a shortie!

So I can lift you up easily~~_
Ah!
T-that wasn't what I meant!
I meant to blow you away easily!
It's alright though.

Your height right now is not bad either
Even if you don't become a mage,
Even though the 17-year-old Seven is still small
To me you're always~~~
IT'S NOT OK AT ALL!

I never--
wanna be looked down upon by you again!
For me,
I just want to
stay with everyone

The young Miss over there.
Do you want an apple that can grant any wish of yours?
Grandma, I--
--want to be smaller.
One mouthfull will do---
...any...wish... of mine?

And with Seven..

That was all I cared about

To become smaller so that...

I can look up at Seven.

HAH
HAH
Snow White-chan, she--
took a bite from a poisoned apple and..
Seven!
What are you doing at a time like this!? It's terrible!!
Snow White-chan is----

It must be that bastard of a step-mother
I'm gonna KILL her.
WHA
WHA
FLASH
SEVEN!?
GIVE THAT CASE TO ME,
YOU LITTLE LOW-LIVES.

SHING
N-no way, you old hag!
How could you do this to Snow White-chan?!!
...HOHOHO, NOW I WILL COLLECT THIS GIRL'S CORPSE--
--AND SEND IT TO THE MIRROR MAGE.
FALLS OUT
TACK

MIRROR OH MIRROR... PRESENT YOURSELF
SNOW WHITE IS NOW DEAD THE MOST BEAUTIFUL WOMAN SHOULD BE...
How stupid!
So everything was for the sake of your vanity?
Too bad, the apple bite I took dislodged during the journey here...

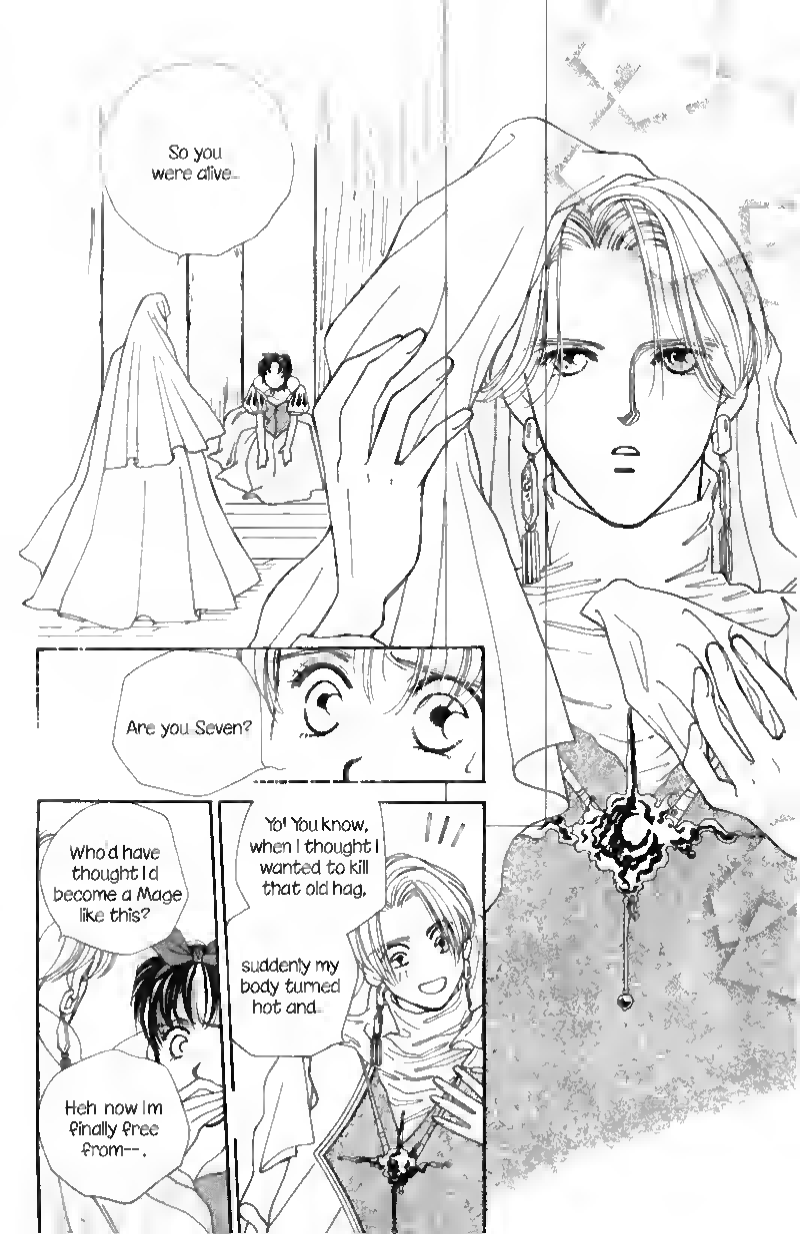
..Mother, no matter what I can't forgive you this time.
I'm really angry now!
W-WHAT A LUCKY LITTLE BRAT,
BUT THAT'S FINE--
Float Out
YOU WILL BE ENSLAVED BY THE MIRROR MAGE WHILE ALIVE!

W-what was that!?
MURMUR
MURMUR
MURMUR
It came from underground!
DOOO
Ephemeral Dreams

Foolish woman~
such a low-level witch actually summoned me
M-Mother!!
—So this is what Seven wanted to become—
I promise you happiness
—a red Mage—
The corrupt soul is now eliminated
and you are now mine

GLARES
Definitely not!!
I never..
wanna be looked down upon by you again
Why don't you just take my soul away too!?
But..
Even if I'm alive he won't love me

I'd rather die than become your slave!!
SEVEN~~~~~!!
S-..
Snow White



So you were alive...
Are you Seven?
Yo! You know, when I thought I wanted to kill that old hag,
suddenly my body turned hot and...
Who'd have thought I'd become a Mage like this?
Heh now I'm finally free from--.

...ge-ez, I thought I'd never see you again.
I can finally say this now.
Please stay with me, always.

Floats
Kya--
Even the bigger version of me--
--is not bad, eh?

And from then on

Snow White has lived
happily ever after---
